## **Beautiful Family Home, Large Shed on 29 Acres**

This beautiful property reflects a modern reflection on a bygone era, a stunning remake of premium quality. Palmdale offers 29 acres approximately featuring a four-bedroom home plus en-suite and main bathroom or three bedrooms and a large study. The long hallway offers entry into a formal lounge or directly into the family zone and modern kitchen featuring an electric Oven in addition to a modern oven and double size fridge freezer. Large benchtops, dishwasher and double sink will thrill the entertainer. A formal dining room off the kitchen leads into the formal lounge creating three to four living zones ideal for a family or entertaining. The informal living zone leads directly onto the pool that reflects an oasis, beautifully fenced creating a private retreat for all. The property offers a very large workshop (27m x 15m) that we know is wide enough, high enough and deep enough for the most discerning of shed people. The 2nd Shed is 12m x 12m. The well fenced property has beautiful gently flat to undulating grey soils ideal for growing livestock or horticulture. Photo Id must be shown at Open for Inspections.
