LIFESTYLE LIVING IN LOGANS CROSSING

Modern Ranch Style home on small acreage of 2.42ha (5.98acres) in highly sought after location at Logans Crossing. Potential for small hobby farm, or those looking for a property with some room for a horse or two. Just up and around from Kendall School, all sealed road frontage and north orientated on a very gentle slope. Offering three bedrooms, all built-in, with sliding door access to outdoor verandah, master with ensuite and walk-in robe. Living is a sunny open plan style combining kitchen lounge and dining. The original garage space has been converted to a second living room. Fully ducted air throughout. Garaging/storage consists of a substantial three bay shed with mezzanine level. Subject to council approval this property may have subdivision potential.
