Spacious Rural Living In Connellan

If size & quality matters..then this fabulous rural retreat will be what you and your family have been waiting for!

The 'homestead' has been tastefully renovated with the central kitchen being the hub of the home.

The living areas are spacious with multiple options for your family to choose 'best use'.

The monster master bedroom suite features a full wall of built in robes, exquisite ensuite, the adjoining retreat,nursery or study has it's own private external access.

The other bedrooms are in the southern end of the home & surround the main bathroom.

Set on 3.1 hectares of land there is a large (12m x 6m x 2.7H) garage with concrete, power and light.

A 3 bay carport, stables and tack room for the horses.

The circular driveway offers access and a wide turning circle for most vehicles and attachments.

Rural lifestyle living is very popular in Alice Springs.

Avoid disappointment.
