Over 6 Acres of Beaconsfield's Best

Enviably located in a rural pocket of Beaconsfield is this well executed property showcasing phenomenal views of the region, three dwellings and substantial shedding.

The main residence has been renovated in style, boasting 3 bedrooms kitchen incorporating dining and family with a separate theatre room/retreat. The stylish kitchen features stone bench tops, induction cooking and storage galore.

Features stone bench tops to all wet areas, fully tiled bath room and en suite, direct entry to the double, remote garage, split system heating/cooling and wood heating.

Outdoor living enjoys two separate entertaining areas. Covered decking to the front complete with built in BBQ and kitchenette is the perfect platform to take in the majestic views of green, rolling hills while a covered space to the back features covered decking overlooking a private, landscaped courtyard.

There are 2 additional dwellings on the property that are multi-purpose spaces serviced by mains water.

Tradesmen will be attracted to the circular, bitumen drive accessed via remote gated entrance, a 9x7 shed and office, complete with 3 phase power and concrete flooring.

This immaculate property is made up of park like manicured grounds and undulating bushland in a completely private setting.

This semi rural property feels far from suburbia on over 6 stunning acres, yet is just a short zip to Beaconsfield trendy shopping, popular restaurants and elite schools.

KCRE is proud to be offering this blue-chip property for sale.
