A Unique Lifestyle Retreat – Perfect for Families or Investors

Step into a world of possibility with this remarkable lifestyle property, where space, privacy, and natural beauty create a haven for families or a savvy investment opportunity.

A Scenic Oasis

This stunning property features approx ½ kilometre of meandering creek along its boundary, sprawling flat usable land, and open spaces ideal for outdoor activities or peaceful relaxation. Surrounded by nature, it's a true retreat for those seeking tranquillity and adventure.

A Home Built for Entertaining

The main residence is designed to impress, offering six spacious bedrooms, soaring ceilings, and expansive open-plan living areas. With multiple kitchens and seamless indoor-outdoor flow, the home is perfect for hosting large gatherings or enjoying quiet family moments. Relax on the elevated deck overlooking the resort-style heated pool and spa, soaking in the serene views of the property.

Property Highlights:

- 🔗Resort-style features: A full-length undercover heated Magnesium pool and a separately heated spa with a cascading water feature.
- 🔗Comprehensive infrastructure: A 6-bay shed provides ample storage and workspace.
- 🔗Solar panels: 8kw and 10kw hours battery storage and mains power.
- 🔗Secondary: A self-contained workers/art studio with a private driveway, offering flexibility for extended family, guests, or staff.
- 🔗Outdoor living: A dedicated camping area perfect for weekend adventures or family getaways, right in your backyard.

Thoughtfully Designed for Practical Living

This property is equipped with water and power throughout, ensuring convenience and functionality. A flourishing orchard adds charm and supports a sustainable lifestyle. Every detail has been carefully considered to create a property that balances practicality with beauty.

Whether you're envisioning a family sanctuary, an entertainer's dream, or an exceptional investment, this property has the potential to exceed your expectations.

Don't miss this rare opportunity – inspect today and imagine the possibilities Call Anne or John Besgrove today.
