Spectacular The Seaport Signature

The living spaces invite you in, the terrace dimensions draw you out both play their part in defining this desirable Seaport apartment where the opportunity to enjoy is matched by the option to entertain.

Stylish, spacious and secure, with outlooks over the North Esk River, The Tamar and beyond, the views are the constant companion of an address that's also literally adjacent to exceptional cafes, restaurants and the boardwalk by the water. When distance to such lifestyle attractions is measured in meters rather than minutes you know you're in a brilliant location!

Northern light that keeps the terrace sunny as well as spectacular flows into inviting spaces for living and dining featuring a soaring vaulted void and a well-designed open-plan kitchen where granite benches, stainless steel appliances and ample cabinetry create an efficient, user-friendly combination.

Two bedrooms and two bathrooms, including a main bedroom with a walk-in robe and ensuite, contribute instantly attractive accommodation to a property that's further enhanced by heating, cooling and security. There's also garaging for two cars but somehow it's the terrace, its expanses and its sights that will live in your memory the longest!
