3 Bed Courtyard Living ...Steps to it All

Step in from the station, stroll home from the restaurants, find family-sized space inside and out in this upscale courtyard apartment. Sized up with a three bedroom, two bathroom floorplan wrapped by approx. 110sqm decked garden space, this upscale apartment is a rare find for families, work-at-home professionals, and uncompromising downsizers alike.

Stretched out in this prestige group's quietest rear corner position with every room facing the garden (and most with direct access), this expansive apartment has room to lounge and dine beyond the marble-wrapped dining-bench of the elite Ilve and Asko appliance kitchen, space to relax in a vast master-suite with robed dressing-area to a 5-Star ensuite...and a clever master study/retreat area to get to work!

Appointed to the elite standards of this highest quality group with the lightest Oak floors, the plushest charcoal carpets, and the sleekest natural and composite stone benchtops, this impressive apartment showcases outstanding attention to detail with floor-to-ceiling concrete-style tiles and marble vessel-basins for both bathrooms, gloss white and coastal Oak-style cabinetry, and streamlined holland blinds. Even the European laundry is custom detailed with stone benchtops and a bespoke fit-out, while robes feature pull-down racking and touch-open drawers.

Optioned up with individual reverse-cycle climate-control to every room, video intercom to the lobby and lift-access to two basement-garage spaces, this upsized apartment is optioned up at every turn. Even the location has all the lifestyle options. Just 150m to the Community Centre, Library and playground, and a walk through the 'town square' to Koornang Rd's vibrant hospitality strip, this family-sized apartment has Carnegie station and the Djerring Trail walking and cycling paths (to Monash University) around the corner, and Chadstone's retail therapy within a couple of minutes.
