Chic modern luxury

The Woolstore resembles an industrial woolstore warehouse combined with New York style living. Exposed raw concrete walls matched with shadow-line ceilings, terrazzo tiling, and modern finishes offer a rich dichotomy of old meets new. Generous bedroom accommodation and flexible floor plan, will allow you to utilise the space to suit your own personal needs whilst still offering segregation and dual bathrooms. Chefs will love the modern kitchen boasting modern Italian Iive appliances including an induction cooktop.

A secondary flexible space framed by black aluminum floor to ceiling glass doors - this space can be converted to a home office, dining or media room.

At the heart of the development is the Village Square which includes a variety of small shops and food outlets, as well as a children's play area and community garden. Also, featuring a members' only 2 lane 25m indoor/outdoor lap pool and gym.
