Surrounded by the tranquility of the Lane Cove National Park and located within Dunstan Grove at Crimson Hill Lindfield. This first floor apartment will not disappoint anyone that is looking for a quiet home nestled within a hidden sanctuary. The North-East aspect is my personal pick within this well-designed master planned community. Apart from the parklands, you have access to the function facilities within the Community Centre and the playing fields within the FIFA-accredited football field. Furthermore, the convenience on offer cannot be overstated. Being minutes drive to Macquarie Shopping Centre or the Chatswood Retail precinct, you will be spoilt for choices when it comes to shopping, dining and entertainment. Should you choose to leave the car at home, the bus stop to both of these destinations is only moments away. Features include: - Extensive balcony for those that enjoys sitting on the outside for the daily coffee or wine. - Large built-in robes within the oversize bedroom, so there is plenty of room for all your fashion collection. - Secured parking space with plenty of visitor parking, making it extremely easy for your friends and family to come visit and make use of the facilities. - Separate storage cage to maximise living space within this beautiful home.
