Welcome to the best of Brisbane living in this immaculately designed five-bedroom apartment with sensational views; offering great space for families in the coveted location of Fish Lane, South Brisbane.

Thoughtful design and outstanding finishes provide style and practicality in this new-build positioned in the heart of Brisbane's cultural centre. Providing space and comfort for the whole family with five bedrooms - or use the fifth bedroom as a dedicated home office or media room.

There is excellent separation of bedrooms and living zones, and you'll love the grand Master Suite, with expansive ensuite including bathtub, walk-in robe and floor-to-ceiling windows offering a superb view. Three further big bedrooms are ample for kids or guests, and the fifth bedroom can be used as a study or media room if preferred. A chic family bathroom includes oversized shower, toilet and vanity.

The heart of the home is the stunning kitchen with big central island bench. Swathed in natural stone, and with a walk-in-pantry, there's plenty of space for chefs to make their mark.

Tastefully integrated SMEG appliances include a side-by-side refrigerator and freezer, dishwasher, oven, steam oven, warming drawer, and Zip tap as standard. A lovely additional touch is the built-in-bar with a SMEG side-by-side 38-bottle wine fridge.

Ducted and zoned air conditioning throughout the apartment will keep everyone comfortable at any time of year, and the classic timber flooring through the living, dining and kitchen areas makes a real statement. The spacious balcony provides a further entertaining area perfect for the Brisbane climate.

Two car spaces in the secure basement and an individual storage space provide further versatility to the home. Add to this the fantastic amenity of the complex itself, with residents' access to 'The Green Room', featuring a heated pool and spa, gym, function rooms, barbecue facilities, dog off-leash area, a children's play area, yoga lawn, music room, library and serene landscaping and gardens.

All of this is positioned within the renowned Brisbane State High School and West End State School catchments, close to Brisbane's vibrant cultural centre, an easy walk, run or cycle into the CBD and convenient for walks along the river. This family-sized apartment really has it all !!
