### **Spacious unit close to the beach!**

This well presented two bedroom unit is situated just around the corner from beautiful Hansen Park and is just a two minute walk to the beach! Perfect for a first home buyer or investor!

Featuring two good size air-conditioned bedrooms with built-ins, a neat open plan kitchen with ample bench and cupboard space and good size bathroom, this unit is a must see! Neat as a pin.

The single remote control lock-up garage with enclosed laundry provides secure car parking, leading out to your own private courtyard. This unit complex consists of 8 units and is sought after given its proximity to Bowen's Golf Course, markets and beaches. A wonderful complex to reside at.
