Ideally positioned, Just Move in and Enjoy your Fuss Free Life.

Unit 14 is one of only a handful of units at Waldreas with a much sought after floor plan.

Positioned at the rear of the village, the backyard is a lovely leafy haven with an outlook to the bushland reserve behind. It is low maintenance with a paved area where you can sit and enjoy the peace and tranquil surroundings.

The open floor plan is very spacious with the kitchen at the rear of the unit, again with that wonderful outlook. The whole unit has new carpet, is freshly painted throughout, and reverse cycle air conditioning and ducted heating for your added comfort.

The solid wood kitchen has plenty of bench space and storage, electric oven, gas cooktop and everything you need to entertain your family and friends.

There are two generous sized bedrooms with built in robes, separate laundry and a lock-up garage with internal access for extra security.

Paired with 24/7 emergency call, this is a very secure and attractive proposition for someone considering downsizing and a fuss free life. The community centre and bus are available for activities and events while aged care is also on site and accessible.

Don't miss out on this one and call Robyn on 0407 217 177 TODAY.
