An affordable opportunity in a desirable location

Positioned for a lifestyle of absolute ease and convenience, this impressively proportioned one-bedroom apartment presents an exceptional opportunity for those seeking a set-and-forget investment or a low-maintenance, lock-up-and-leave lifestyle.

Positioned literally steps from Preston station, the iconic Preston Market, Woolworths and Aldi, it's a short walk to the dining, café and shopping options of High Street.

Featuring stone countertops, ample storage options, and quality stainless steel appliances, the kitchen is the focal point of an open-plan living area that drifts out to an entertainer's terrace with room for cooking and lounging with friends and family!

Complete with a generous built-in robe; the bedroom is served by a stone-detailed bathroom that cleverly integrates a concealed laundry.

Additional features of secure lift access, split system climate control, carpet, secure basement parking, and communal areas only add to the immediate appeal.
