Perfection on the Water

You will be in absolute awe of this exemplary 259sqm, 3 bedroom 3 bathroom two-level riverside residence's generous 17-metre offering of breathtaking water-frontage views, on top of its pleasant northern orientation, direct river access and its own front door - with the potential for commercial use, if needed.

Essentially two apartments in one, this highly-unique property enjoys spectacular river vistas from both of its living areas, as well as every bedroom. The two totally-segregated living zones are located on separate levels and the bedrooms are all very spacious.

At ground level, an expansive open-plan living and formal-lounge/dining area doubles as a sprawling guest retreat too, complete with its own built-in storage and office nook with desks and cupboards, a separate bathroom with a shower, toilet and vanity, a storeroom, built-in wardrobes to the sole bedroom on the floor and its own river-quayside access door.

Upstairs and overlooking the open-plan family and dining area, a quality kitchen comes complete with sparkling stone bench tops and stainless-steel cooking appliances - as well as an adjacent study or built-in meals nook. The spacious second bedroom has built-in robes and sits opposite a functional second bathroom with its own shower, vanity, toilet and cleverly-concealed European-style laundry, behind folding doors.

The commodious master suite is the obvious pick of the bedrooms with its separate his and hers built-in robes, alongside an intimate ensuite with a walk-in shower, separate bathtub, toilet and twin-vanity basins. There is a storage cupboard on the lower floor also, as well as an internal hot-water system and direct access to the secure car bays. There is also approximately 17sqm of fabulous outdoor balcony-entertaining space off the family room and two downstairs bedrooms, impressively overlooking beautiful Claisebrook Cove and the river.

Two side-by-side parking bays complement a constantly-heated complex lap pool that also boasts an awesome view over the Cove, as well. Common gym and outdoor-barbecue facilities are simply the icing on the cake, here.

Imagine dual live-work zoning and the opportunity to run a business from the lower level whilst living above (or splitting the residence and renting the bottom while living upstairs) adds outstanding value to the property, also allowing you to take full advantage of an enviable East Perth location just five minutes from the city and within metres of shops, cafes, restaurants and the wonderful waterfront, also close to the exciting Wellington Square redevelopment and the new civic Perth Girls School precinct. This really is a one-of-a-kind apartment that has so much to offer - just you wait and see!
