Welcome to 201/36 Edgecumbe Street Como. This luxurious and modern apartment located on the second floor with views of the Perth skyline is sure to impress. The Alocasia Residences were built in 2021 and designed by renowned Hilliam Architects and consists of only 20 quality apartments. Apartment 201 features two very spacious bedrooms. The master has its own ensuite bathroom and has his & hers walk in robes. The ensuite is absolute luxury with double vanity sinks, walk in shower and full height tiling. The view from the floor to ceiling window in the master bedroom is sensational! A small study nook is perfect for those wanting the home office. The open plan living, dining and kitchen have amazing views over the city skyline with the full-length windows and doors allowing an abundance of natural light. The quality of this apartment is next level. High quality finishes, European kitchen appliances, loads of cupboards and a breakfast bar. High end European washing machine and clothes dryer are also included. The wrap around balcony has amazing views of the city skyline and is perfect for relaxing with a glass of wine or a coffee while taking in the breathtaking views. For those wanting to take advantage of the rooftop terrace (common area), it's a great place to relax with family or friends while enjoying a BBQ or simply taking in the stunning panoramic views. This apartment is a rare find and is situated close to shops, universities, schools, Perth city and Swan River are all within easy reach. The Canning Bridge train station and freeway are only minutes away. This is a lifestyle opportunity with comfort, security and convenience, allowing you to create your own home in this boutique apartment.
