Rarely are properties available of this calibre, size and set high in one of Port Macquarie's Blue Chip locations. This enormous luxury apartment showcases Port's beautiful waterways and hinterland at its absolute best, all within a short walk to everything you could possibly need or want. There are few apartments that offer house-like dimensions and even fewer of those are positioned in one of the best presented and maintained communities in the area. With jaw dropping resident amenities and a quiet location, there is simply no finer way to experience the enviable lifestyle Port Macquarie has to offer. Secure lift access and a private foyer start this amazing journey into one of the largest apartments you are likely to find. Open plan living is accentuated with floor-to-ceiling glazing, amplifying the natural light provided by the northerly aspect as well as providing the feeling you are on the top of the world. The combined living and dining space offer sizing that will accept the largest of furniture with room to spare. Overlooking this space, you will be impressed with a kitchen that not only offers substantial work spaces, but also presents an endless array of storage options via a combination of cupboards and shelves built in to the butler's pantry. To the opposite end of the living domain showcases through double sliding doors, a sun-drenched balcony, stretching the width of the apartment guaranteeing plenty of space to entertain and enjoy the views on offer. Back inside, each of the three bedrooms are serviced by their own bathrooms to keep you and the guests happy. The master suit is the perfect size and positioned with access direct to the balcony, through floor to ceiling sliding doors. In addition to its size the master suit also boasts a walk-in robe and ensuite that's reflects the theme of the rest of the apartment. Generous dimensions are not just left inside, the resident amenities include, a huge pool and matching heated spa, expansive grassed areas and options to entertain guests within the grounds or just relax watching the water wondering its way through the water features.
