Nathan Smith

One of the Best Apartments We Have Seen!

Available for sale, off market.

Without question, this exceptional one bed plus study apartment is one of the very best we have seen. Centrally located within easy reach of Williamstown Beach, shops, cafes and all that our beautiful suburb has to offer.

Nestled in an elevated position, this corner apartment benefits from beautiful natural light, it feels bright and airy throughout.

A fabulous open plan living, dining and kitchen. Spacious, with plenty of room for entertaining. Floor space of 70sqm plus 8sqm of balcony space (approx), the dimensions are impressive.

Open the large sliding doors to the big balcony, the perfect spot to relax with family and friends especially during the warm summer months ahead. An immaculate modern kitchen with Miele oven, gas cook top and dishwasher. The dining space is also superb, the current owner has an eight seater dining table comfortably in place. An adjoining garden balcony creates atmosphere, air flow and more natural light.

Adding to the appeal of this property is a brilliantly designed home office / study. Built in cabinetry and tucked away from the main living room, this is the dream spot to work from home.

The bedroom is equally impressive, with a walk in robe and plenty of storage. Direct access to the gorgeous bathroom, plus a separate laundry room.

A wide entrance hallway greets you on arrival, double glazed windows, secure basement level car park, storage cage, lift access, split system heating and cooling, there is much to love about this wonderful apartment. Don't miss it!
