## Designer Luxury!

High on the top floor of the quality *Verde* development by renowned architect David Hillam sits this sublime 136sqm, 2 bedroom 2 bathroom apartment that leaves absolutely no stone unturned when it comes to class and comfort, also boasting breathtaking city views just one street back from trendy cafes and restaurants on Royal Street.

This spectacular - and eco-friendly - corner complex enjoys a prime position, virtually opposite the exciting Wellington Square parkland redevelopment. Internally, the apartment itself is headlined by a welcoming open-plan kitchen, dining and living area that seamlessly extends outdoors for spacious covered alfresco-style balcony entertaining - to a picturesque Perth city-skyline backdrop, across the park and treetops.

The kitchen itself oozes style and substance in the form of sleek stone bench tops and white cabinetry, built-in pantry storage, a breakfast bar for quick bites, integrated range-hood, gas-cooktop, oven and microwave appliances, a semi-integrated dishwasher, double sinks and a double fridge/freezer recess.

It's your choice of master-bedroom suites too - with both boasting their very own fitted walk-in wardrobes and intimate ensuite bathrooms with showers, toilets and vanities. The larger master wing though has one main point-of-difference - its own private balcony with another slice of the vista, allowing ample natural light to penetrate the interior at the very same time.

Making the most of both the floor and wall space on offer is a cleverly-concealed European-style laundry, behind the privacy of full-height sliding doors. Over-head and under-bench storage cupboards complement a functional position within the floor plan - adjacent to a separate powder room for guests.

Residents of the building can also capitalise on exclusive access to a common resort-style lap swimming pool and spa outside, a terrific alfresco deck with its own built-in barbecue facilities, a fully-equipped gym and secure parking - including your own single car bay downstairs, plus an allocated storeroom for good measure.

Your new city pad will be conveniently situated only a short stroll to the nearest free CAT bus for easy access around the east end of town (and the CBD) and within walking distance of the vibrant East Perth food, coffee and shopping precinct and lush recreation areas by our beautiful Swan River. When it comes to both location and lifestyle, this one is destined to impress!
