Perfect Pad for Beach Lovers & City Dwellers Alike

Imagine waking up to gentle ocean breezes and the peaceful rustling of trees in Pacific Park. This one-bedroom retreat in the 'Essington' building lets you do exactly that, offering the perfect blend of urban convenience and coastal serenity in Newcastle's sought-after east end. Whether you're a young professional seeking the perfect pad, a couple starting your property journey, a savvy investor, or someone looking to downsize without compromising on lifestyle, this low-maintenance gem ticks all the boxes.

Step inside, and you'll immediately notice how the clever design makes the most of its third floor position. Floor-to-ceiling glass sliders flood the open-plan living space with natural light, while providing seamless access to your private covered balcony, the perfect spot for your morning coffee or evening wine as you gaze over the park and catch glimpses of the sparkling Pacific Ocean.

Location wise, it doesn't get better than this. Take your pick from Nobbys and Newcastle beaches or the ocean baths for your morning swim, all just a leisurely stroll away. The area's buzzing café scene has you covered for your morning brew. And when the sun sets, you're just minutes from the harbour foreshore and some of Newcastle's most vibrant bars and eateries.
