## **Luxurious new townhouse.**

Invitations are extended for you to purchase one of three available, brand new, three bedroom, two-bathroom brick and tile residences.

Set within a short stroll to shopping conveniences and other quaint country facilities, we invite you to choose your desired choice of home from this development and embrace the opportunity.

Sun-splashed living and dining area, feature in this contemporary design, which includes double-glazed windows, while the open-plan kitchen boasts breakfast bar, quality appliances and features pendant lighting, reflecting the commitment to excellence that defines the dwelling.

The versatile floorplan takes full advantage of the space available to include storage. Three double bedrooms and two sophisticated bathrooms, including the master bedroom with ensuite and built-in robe. A remote access opens to a fully lined garage ensuring a safe entry zone for your convenience and a separate access from the garage.

Low maintenance, and with the infamous Exeter Bakery in this area, this opportunity ensures both quality and versatility while additional off-street parking is available for each townhouse.

Government Grants available subject to eligibility.

Call Trudi today to arrange inspection and discuss availability.
