Rarer than Hen's teeth! This is such a unique proposition which offers the ability to secure a four bedroom, four bathroom, four car apartment/s in the heart of the exclusive enclave of Mount Street. The owners secured this 'off the plan' and it gave them the ability to customise each apartment plus have one main door entrance.- Maybe there is extended family or mature kids who can secure one half of the apartment whilst you live in the other half.- Alternatively consider amalgamating even further (subject to approvals) which would give you one of the most exclusive residences in West Perth and Surrounds. Combined area- 163sqm internal- 28sqm balcony- 258sqm total (including 4 car bays)- Timber tiling throughout, including on balcony- Walk in laundry- Secure floor access and intercom- North facing, enclosed balconies- Storage on Balcony and ground floor- Quality appliances and cabinetry throughout each apartment
