Urban Living in Moorabbin Junction

Designed by the award-winning architects Elenberg Fraser, this expansive two-bedroom, two-bathroom apartment exemplifies sophisticated urban living with an abundance of natural light in the heart of Moorabbin. The residence features a generous open-plan kitchen and living area, complete with a well-appointed kitchen boasting stone benchtops and top-of-the-line European stainless steel appliances, including a gas cooktop, dishwasher, and ample storage.

The two bedrooms come with mirrored built-in robes; the master includes a full ensuite, while the second bedroom offers balcony access. The main bathroom is equipped with a walk-in shower and laundry facilities. Additional highlights include a sizable private balcony, split system heating and cooling, secure entry, and car parking (not a stacker) with a storage cage. Located in Moorabbin Junction, you'll be within walking distance to shops, cafes, parks, gyms, and Moorabbin train station, with easy access to Southland Shopping Centre and beautiful beaches.
