Discover one of the best two-bedroom north corner apartments in the stunning ARK building, a masterpiece designed by renowned architects Fender Katsalidis. This architectural gem offers a lifestyle like no other, blending cutting-edge design with unparalleled quality and prime inner-city convenience. This one-off unique floor plan features a light-filled residence, where breathtaking views of Richmond Hill and the CBD greet you. Enjoy a spacious open-plan living and dining area, complemented by a study room and a large wrap-around terrace—perfect for entertaining or soaking in the vibrant cityscape. Experience luxurious finishes throughout, featuring brand new carpets, brand new blinds, and woven flooring for a sumptuous feel, along with a beautiful stone-top kitchen equipped with Miele appliances and a cleverly concealed European laundry. Exceptional amenities enhance your living experience, including secure lift access, video surveillance, an upper-level car space, lock-up storage cage, and exclusive facilities like a residents' gym and a 30-seat theatre. Nestled just steps away from the bustling cafes, shops, and restaurants of Bridge Road, with supermarket access, nearby trams, and a short stroll to Richmond train stations, Yarra parklands, the MCG, and the CBD, this location truly epitomizes city living. Elevate your lifestyle—make this exquisite two-bedroom apartment your new home today!
