Oversized 2-level entertainer / tranquil White Bay address

An oversized 2-level entertainer in a tranquil White Bay address, this home is part of a secluded contemporary complex with harbour-front parks at your door. Opening up to impressive levels of outdoor space, it's designed to be both a relaxing retreat and alfresco home, amid resort-style surrounds, with the rarity of secure double parking. Just 10 minutes from the buzzing heart of Darling Street, in a pocket of the peninsula offering incredible ease of access to the CBD. Free Strata Report online at bw.com.au
