Top Floor Apartment in Drift by Mosaic

Welcome to the Drift Apartments by Mosaic, an award-winning complex which perfectly captures the essence of luxury coastal living.

A top floor apartment is always sought-after simply because there's nobody living above you, and the views are better. Welcome to apartment 602 on the 6th floor!

Step inside to discover an open-plan living and dining area, where large windows invite in natural light and create a seamless flow to the North-facing balcony.

From the balcony you have white water and beach views up the coastline towards Noosa, and a blue ocean glimpse to the East. Plus of course you can gaze down over the beautiful swimming pool and tropical gardens of the award winning complex.

The kitchen is beautifully designed with high-quality finishes, sleek cabinetry, and modern smeg appliances including an integrated dishwasher and an induction cooktop.

The apartment includes two generously sized bedrooms, each thoughtfully designed with comfort in mind. The master suite boasts its own private ensuite bathroom plus a glass sliding door to the balcony. While bedroom two has a glass sliding door opening onto the private porch. Both bathrooms feature elegant, contemporary finishes which add a touch of luxury.

Living here is about so much more than just the apartment itself. Drift offers a resort-style pool, a spacious barbecue area, lifts to all levels and secure parking under the building.

The location is sublime, positioned in an elevated location directly opposite the beach and Point Perry with the sand and surf just a few steps away.

Imagine walking straight from your apartment down the boardwalk into Coolum exploring the local cafes, shops, and laid-back lifestyle the area is famous for.
