Stylish apartment in Mornington's heart - Position, Position, Position

With Main Street's electrifying energy at your doorstep and the beach just moments away, this sleek and sunlit one-bedroom residence offers a refreshing gateway to Mornington's enviable beachside lifestyle. Quietly set within an acclaimed complex with popular boutiques, cafés, shopping centres and restaurants steps away, this contemporary gem showcases an unwavering commitment to turnkey style, accessibility and leisure within an active epicentre.

Stylish Herringbone oak flooring defines a bright interior, leading from the entrance hallway to the considerable bedroom, augmented by full-width robes, an on-trend semi-ensuite bathroom and a separate powder room. Making clever use of space, a brilliant kitchen with mirrored splashbacks boasts high-end Smeg appliances, an Asko dishwasher, and an entire wall of cabinetry including overheads, while glass stacker doors merge an open plan living/dining room and north/east-facing, covered balcony for easy entertaining.

The perfect choice for those starting up, investors keen to capitalise, and downsizers seeking beachside ease on the fringe of Mother's Beach, Mills Beach, and mere steps from supermarkets and specialty stores, highlights include RC/air conditioning, intercom, dedicated laundry, and ample storage.
