This spacious 3-bedroom apartment positioned at the rear of the block and nestled in a quiet cul-de-sac near Dendy Park, offers sun-drenched serenity on the north-western side of a distinguished mid-century complex. Situated on the first floor, it boasts an expansive layout rarely seen in apartments, offering more space than you'd expect with a full size kitchen, laundry and a study completely separate to the main apartment. Enjoy treetop views and afternoon sunlight from the large living and dining area, which seamlessly flows into a stylish kitchen with adjacent meals area. The sunlit bedrooms are thoughtfully zoned around a skylit, fully-tiled bathroom complete with separate bath tub. With beautiful timber floors, mirrored built-in robes, and premium appliances including a Smeg cooktop, pyrolytic oven, and Miele dishwasher, this apartment is impeccably designed. Each room, including the home office, has its own reverse-cycle air-conditioner, and there are skylights throughout, enhancing the natural light. Two parking spaces and a rear garden shed complete the offering. Tucked away near Dendy Park, this hidden gem offers easy access to parklands, a major retail and rail hub within walking distance, and a city bike path right at your doorstep.
