Spacious 1960's parkside beauty

Situated between Central Park and Hedgeley Dene facing Kardella Street, this impressive 100sqm first floor two bedroom 1960's apartment is a celebration of space and light at a premier address. Beautifully updated with new carpet and fresh paint, this solid brick gem is welcomed by a huge entry foyer and features double doors to a glorious living room with corner windows and balcony overlooking the street, a sun drenched modernised kitchen with large meals area (gas stove) and north facing rear balcony; two enormous bedrooms with built in robes, a classic bathroom with laundry area and a separate toilet. An outstanding opportunity to enjoy the security of apartment living with house-size proportions, complete with a Rinnai gas space heater, ceiling fans, roller blinds, intercom access and undercover parking via Kardella Street. Quietly located in a no-through road that leads to the picturesque beauty of Hedgeley Dene Gardens, walk to Central Park shops and cafes, the Wattletree Road and Waverley Road trams, and excellent schools. Minutes to High Street, Glenferrie Road retail precinct, Malvern Central, Darling or Caulfield stations, and the Monash Freeway.
