Enjoy all the very best that South Yarra has to offer right on your doorstep from this stunning two-bedroom apartment in immaculate condition perched on the 9th floor of the popular SXY2 complex. Characterised by light filled interiors, extra-high ceilings, exposed concrete, streamlined timber and white cabinetry and blonde French oak floating timber boards. The accommodation includes two queen sized bedrooms each with BIRs and a central fully tiled bathroom with extra-large walk-in shower, masses of mirrored storage and Euro laundry. The open plan living and dining zone benefits from floor to ceiling glazing and flows out to the covered balcony with stunning South Yarra views. The sleek kitchen boasts a combination of clever concealments – fridge, dishwasher and oven all disappear behind the cabinetry. There's masses of storage integrated with open display shelving, glass splash back and an easy-clean glass cooktop set into deep stone benchtops which continue along into the living zone to form a media bench. Also features ducted heating and cooling, secure building access and one secure undercover car park with raised storage unit. Residents also have access to a stunning rooftop entertainment deck with BBQs, seating and panoramic views to the city. Perfectly located close to South Yarra Station, trams, Chapel Street and Toorak Road restaurants, cafes and boutiques, Yarra bike path and the Royal Botanic Gardens, your new South Yarra lifestyle awaits.
