Elegantly Renovated Character Home

Welcome to this captivating character home, recently transformed through sophisticated renovations that effortlessly blend elegance and simplicity. Positioned on a generous 407sqm survey strata block, this two-bedroom, one-bathroom gem is ready for you to move in and enjoy.

The modern and stylish kitchen is equipped with an engineered stone benchtop, a modern white sink, and a sleek black mixer, all set against subway tiles with cleverly contrasting dark grouting. The white cabinetry with black handle accents enhances the kitchen's contemporary appeal. From here enjoy views to the backyard or conveniently step outside to the refreshed alfresco area where a raised timber deck and new Colorbond roofing provide the perfect setting to relax and enjoy the outdoors, overlooking a lush green lawn that invites serene and leisurely afternoons.

The home continues to charm with its master bedroom, featuring expansive tall robes to maximise storage space. White walls and plantation shutters throughout brighten every room, creating a fresh and inviting atmosphere. The family bathroom echoes the kitchen's sophisticated style, with the engineered stone benchtop, white sink, modern black mixer and subway tiles. Here the use of timber-look cabinetry adds a touch of warmth, complemented perfectly by the refined black towel rail and shower fittings.

Residing directly opposite Bill Ellson Park and close to Piney Lakes Reserve, this home places you in the perfect spot to enjoy the surrounding natural beauty. It is ideally located within the catchment areas for both Rossmoyne Senior High School and Bateman Primary School, just a short walk from Bull Creek Station and near the Garden City shopping precinct.

This home is a perfect blend of history, elegance, and modern convenience, ideal for those looking to settle into a beautifully updated space without the hassle of renovations. Don't miss your chance to own a piece of refined living; come see how this home can become your new sanctuary.

All offers presented.
