The ultra-modern kitchen is a true highlight, boasting a stone island breakfast bar, stainless steel appliances including a dishwasher, and ample cupboard space. It seamlessly connects to the dining area, making it ideal for entertaining.

A second living area, the air-conditioned lounge room, opens effortlessly onto a party-sized deck-perfect for hosting gatherings or enjoying quiet evenings outdoors.

This home offers four generously sized bedrooms, all with built-in robes and ceiling fans. The main bedroom is enhanced with a split-system air conditioner for added comfort.

The luxurious main bathroom is designed to impress, featuring floor-to-ceiling tiles, a deep soaking tub with double showerhead and shower niche, and a sleek floating vanity. For added convenience, a second bathroom is thoughtfully integrated into the laundry.

Outside, a small, grassed yard just off the deck provides room for the pets or kids play equipment. Parking is made easy with an oversized garage at the rear and a two-car parking bay at the front of the property.
