Occupying the ground floor of a terrace conversion, this updated and modern residence is located only moments to everything we love about Newtown. Pleasantly deceptive from the outside and cleverly designed to provide a home with lots of natural light, this one is worth a visit. The property: * Two generous sized bedrooms with built ins * Modern bathroom with shower over bathtub * Modern kitchen with stainless steel gas appliances * Loads of natural light * Internal laundry * Shared courtyard with upstairs residents * 400m to St Peters Train Station The details: * Available 16th January 2025 * 12 month lease The neighbourhood: Bohemian by nature, Newtown is a neighbourhood that thrives on the fringe. Eclectic and artsy with elements of grit, Newtown has established a name for itself on the local and international art and theatre scene. The focal point is King Street, which is both a foodie's destination and a place to nab a quirky find. From the main hub to the narrow backstreets, Newtown likes to push the boundaries.
