If you're looking for a home that truly fits the whole family (and then some), look no further! This expansive property has space for everyone - bring the kids, the parents, the pets, the boat, the caravan, and all the cars. With plenty of room both inside and out, this home even caters to your cat, with its own safe outdoor run for fresh air and sunshine. Recently renovated and ready to move in, this home has undergone a significant transformation into a multi-generational haven. There's potential for a self-contained granny flat downstairs, making it perfect for extended family. With the school bus stop at your door and just a 20-minute drive to the M1, balancing work and home life couldn't be easier. Key Features...• Over half an acre of flat land with raised veggie gardens, fruit trees, and full fencing with electric gates - a family-friendly space. • Two levels of living, including a bonus room and a downstairs laundry, which could easily be converted into an ensuite bathroom. • Drive-through double garage with remote-controlled electric roller doors on both sides, offering internal access to the upstairs level. • Fully equipped workshop that would impress even the most dedicated home handyperson or crafter. • Secure under-house storage perfect for gardening tools, kids' bikes, and more. • Carport for four cars under the deck, with concrete flooring, keeping everything dry and secure. • Additional ports for the caravan and boat, plus a boat house that features a cubby house for the kids - ideal for outdoor fun. • Spacious screened rear deck, perfect for family gatherings, relaxing, or even a game of indoor bowls. • Large open-plan lounge and dining room with a family kitchen, featuring modern conveniences like illuminated cupboards, a dishwasher, and ample bench and storage space. • Separate family room adjoining the three family bedrooms - a great space for the kids to have their own area while you enjoy the main living zones. • Master bedroom with built-in robes, a security-screened deck, and breezes that'll keep you cool on hot nights. • A fifth smaller bedroom or office, located off the main living area - perfect for a home office or as a study nook for the kids. • Front deck where you can catch the breezes and unwind after a long day. • Fully fitted security system, including its own hub, so you can monitor activity both inside and outside the property. • Zoned reverse-cycle air-conditioning throughout the upper level, plus a separate unit in the bonus room downstairs. • New Zealand wool carpets in the bedrooms for added warmth and comfort. • 6.6kW solar system to help lower energy bills • Stainless steel gutter guard to keep your rain water clean and a deep bore providing extra water This is a truly impressive home, designed for modern family living with everything you need to move in and start enjoying life right away.
