Bright and convenient.

In a much sought-after pocket of Langwarrin, nestled within a quiet complex of five units is where you will find 1/5 Warrenwood Place. Showcasing two-bedrooms, one- living, one-bathroom and a single car garage - this well-kept home is not one you want to miss!

Ideal for first home buyers, smaller families, downsizers or investors, property features include:

- An open living room providing an abundance of natural light and seamlessly connecting to all areas of the home.
- Modern kitchen displaying modern appliances, sleek countertops, ample cabinetry, tiled splashback and built in pantry.
- Two generous sized bedrooms: Master bedroom includes a walk-in robe and access to the main bathroom which includes a single vanity, bathtub, shower and separate toilet.
- The outdoor area showcases an impressive patio with an altitude of space to entertain all year round.

Other valuable features include, newly installed carpets and blinds, ducted heating and split system, separate laundry room and a dedicated single car garage with rear roller door granting access to the backyard.

Conveniently located in a vibrant community with close proximity to schools, family friendly parks, local shopping complexes, main roads and public transport.
