## **Idyllic Modern Home, Enjoy the Country Atmosphere**

Boasting walk-to-everything credentials with Main Street boutique shops, cafés, and restaurants within a 5-minute walk, this peaceful three bedroom home is a private light-filled sanctuary of perfect comfort.

Offering a theatre, open living, dining, and streamlined modern kitchen – where a trio of feature light fittings illuminate the stunning stone island, with stone carried through to the benchtops, complemented by a white-tiled splashback, walk-in pantry, and stainless steel appliances including a dishwasher.

Further relaxation is offered by the alfresco and low maintenance back yard with established trees and gated side access. Accommodation comprises a main bedroom with a walk-in robe and an ensuite, and two bedrooms with built-in robes. Both bathrooms feature stone-topped vanities, with an individual shower and bath to the main, while all bedrooms host ceiling fans.

This beautiful new home also includes a double garage with internal access, an internal laundry, heating/cooling, extensive storage, a 2000-litre water tank, wide floating floorboards, and a seven-camera Dahua Mobile Security Surveillance (DMSS) system including in-house monitor, intercom and smartphone monitoring. Within walking distance of Romsey Primary School & Romsey Bus Hub (servicing schools in surrounding areas), it's also a short drive to Clarkefield or Riddells Creek train stations, and neighbouring townships.
