Experience the charm of this classic Art Deco two-three bedroom bungalow nestled in the heart of Invermay. Situated on a flat block on a tranquil street, this property offers the perfect blend of character with restored leadlight windows and polished floors and modern convenience. The spacious master bedroom and living room at the front of the house both have as new carpet, new curtains (not photographed) and heat pumps. The floor plan is flexible with a sunroom leading to the back yard that could either be a great playroom/office or the lounge room if three bedrooms are required. The modern kitchen is compact but has everything you need including a fridge and dishwasher and overlooks the private garden. There is good storage throughout with linen cupboard, built-ins in the second bedroom and dresser in the cosy dining room plus two storage sheds. Off-street parking for two cars plus easy on street parking, north facing easy care back yard perfect for kids or weekend relaxing and walking distance to shops and schools. Sorry no pets, 12-month lease, available 16th April 2024. Call today to arrange a private viewing.
