This solid two bedroom brick veneer unit is the perfect home for those over 50's looking at scaling down. A well maintained stand alone villa located in Redwood Retirement Village, the property boasts a separate sunroom and is positioned to enjoy expansive mountain views. The large light filled open plan living, kitchen and dining area has been freshly painted and is ready for you to move in without fuss. The generous sized bedrooms both have robes with the master bedroom having its own walk in robe and ensuite. The single lock up garage offers security and internal access sheltering you from the colder winter months. A reverse cycle heat pump/air conditioner services the unit well. This well established retirement village for over 50-year-olds offers a safe and secure neighbourhood close to public transport and central to the local shopping centres that Kingston residents enjoy. 2 Bed 2 Bath 1 OS PA Available 25/01/2023 12 month lease Unfurnished
