GRAND HOME AND OASIS GARDEN

This is one of Warners Bay's most recognised homes.

A grand estate of 1020 square metres and established gardens that have been admired for years.

With solid brick construction and split level design, this home has a family friendly layout and amazing street appeal.

Outdoors, there are garden nooks, alfresco areas and gazebos, all protected by high fences and hedges which create a private haven.

This home has a wide veranda at the front which captures cooling lake breezes.

At the rear is a covered outdoor space overlooking a dazzling array of native and exotic plantings which blossom in colour all year.

This home is awaiting a new family, ready to immerse themselves in the convenient location and oasis lifestyle on offer.
