Spacious Family Oasis

Welcome to one of Fletcher's biggest family homes. For the large or growing families this impressive family home is spread out over two levels, boasting up to six bedrooms that will capture your imagination & ultimately fulfil your need for space. Sitting on an elevated corner position & basking in natural sunlight amongst tropical gardens will automatically put you in a relaxed state of being.

There is nothing small about this property, be impressed by wide expansive living spaces across both levels, a master bedroom that is fit for a King & Queen & a butlers pantry that is bigger than most bedrooms coming off an open plan kitchen, dining, living space with views & direct access to the inground pool & resort style Alfresco entertaining area. Offering multiple spacious internal living spaces enables the whole family to spread out, relax & enjoy the environment, a home that has been specifically designed for size, space, comfort & enjoyment both inside & out whether you're entertaining or simply enjoying family time.

Also boasting a very versatile detached studio offering bedroom, bathroom, kitchen & living area with separate entrance would ideally suit the teenager of the house, the extended family or can be leased out for a passive weekly income. One could easily go on but the easiest thing to do would be to come out & have a look for yourself & experience the sheer size of this home & everything that it can offer you & your family.
