ANGEL RD – STRAIGHT FROM THE HEAVENS

Designed with the family in mind, this custom-built property has a long list of perks that will have it shining above the rest. Positioned in a quiet tree lined street with a huge yard space that wraps around the whole property – there is plenty of space for the kids and pets to play and room to store the weekend camper or trailer up the back as well. Let's check it out...

The home has a dual garage parking bay plus side gated entry to the yard where you can park a trailer or the camper up beside the garden shed. The front yard is independently fenced in with gated access point allowing you to use the full scope of the block but also keep the fur babies and real babies safely back off the street.

Inside the home is a central living room with tiled flooring and the dining room beyond that with double opening doors leading through to the oversized verandah space.

Just off the central living room is a home office / 4th bedroom option with double opening doors and a streetscape view. There is also a separate media room which is ambient and quiet – perfect for a cosy family movie night or just to relax on the couch tucked away.

The impressive spacious kitchen has wrap around stone counters with a pop of colour on the splash backs, overhead storage space, a servery window to the verandah and stainless steel appliances plus a breakfast bar as well.

The main bedroom suite is rear facing with a huge walk in robe and an ensuite bathroom with twin shower. Down the hallway are two additional bedrooms plus the main bathroom with a relaxing bath tub and shower plus separate toilet.

6.5kW Solar panels and a 14.5kW Tesla Powerwall battery as well as solar hot water will help save on energy bills.

Walk to nearby parklands with play areas for the kids, ride your bike to public and private school options or pop up to the Palmerston shops. Spend your free time at the Palmerston Water Park or Skate Park or take a stroll along the lakes looking for turtles and fish – Palmerston is a thriving suburban setting for the family with loads of activities throughout the year in the quarter, Friday night markets and more.
