Type: House

Andrea Ivermee

Huge Proportions!

Located towards the end of a no through street, this four/five bedroom, two bathroom, three living area home is situated on a huge block of 2216sqm. The indoor and outdoor spaces are sure to impress. When we say huge proportions, we are not joking! The 25m long hallway stretches from the front living room to the master bedroom at the back. There are multiple rooms for relaxing and entertaining. With three living areas, one open plan with the kitchen and dining, another fantastic study/library and upon entry, a cosy lounge room with wood heating for the winter months. Storage is abundant via the built in robes, hallway linen press, laundry cabinets and walk in pantry. With the added bonus of a 7m x 6m garage

Ideal for large families with multiple cars, those with a caravan and plenty of room for kids to kick the footy. The location also offers a short drive to Elliminyt Primary School, Apex Kindergarten and Colac Secondary College as well South Colac Recreation Reserve and the Golf Course.

Built approximately 28 years ago, there is so much to love about 10 Beechy Court. A large home with an even bigger block is something many dream of! There is scope to plant fruit trees, grow veggies or build a shed for those who wish. A fabulous property for buyers of all ages including young families, growing families and retirees.
