Kurt Knowles

The Perfect Weekender

This amazing shack truly is the perfect weekender!

Location, water views and a shed are the three items on most purchaser's tick list when buying a shack!

This fantastic two-bedroom shack with open plan living is a fantastic opportunity, located perfectly between the Lodge, Pub and Swan Bay Boat ramp.

The large covered front deck with stunning water views is the real drawcard of this home and is the perfect location to relax after a day's fishing, hiking or just to take in the ambience.

The beautifully renovated kitchen with stunning panoramic views of the bushland and water is another stunning feature of this gorgeous home.

This property is set out over 2150m² of land and is serviced by town power, rainwater tanks and an onsite septic system.

This property will be sold as a "walk in, walkout out" scenario with all furniture staying plus a large stockpile of wood for the fire.

The shed with carport is a fantastic addition to the property and adds practicality for the purchaser who needs to store a boat or car.

Miena is the heart of the Central Highlands and is centrally between all that Tasmania and the Highlands have to offer.
