Family First

Looking for a place where every family member can thrive? Discover 10 Foxground Parade, a nearly new home that's been designed with you in mind. Nestled in a friendly, welcoming estate, this two-year-old beauty offers everything a modern family could need.

With a family friendly layout spread over two levels, there's room for everyone. On the lower level you'll find a modern kitchen featuring an island bench, tiled splashback and walk in pantry. Effortlessly flowing on to the tiled open-plan living and dining area and out onto a covered alfresco space via large sliding doors.

An additional carpeted media room offers a cozy retreat downstairs, expanding upon the already generous living/dining area. The upper level doesn't disappoint either with an additional rumpus room and separate study.

The master bedroom is a true retreat, featuring a walk-in robe, an ensuite with dual vanities, and a private balcony with large glass sliding doors to soak in the surroundings. Three additional bedrooms with built-in robes and a main bathroom with a bathtub and separate toilet ensures there's room for everyone's needs.

Enjoy the balance of peaceful living with all the conveniences you need just a short distance away. Schools, parks, and local amenities are all within reach, making life here both easy and enjoyable.

10 Foxground Parade isn't just a house—it's a place where memories are made. Come see it for yourself and imagine the possibilities. Contact us today to arrange a visit and take the first step toward calling this wonderful house your home.
