Dreaming of a shed?

This beautifully presented property is neat as a pin and has been lovingly cared for by its current owner.

On the market for the first time in 2 decades it has multiple sheds of which dreams are made of.

Located in the family friendly area of Soldiers Hill, the first shed has so many potential options, 8m x 8m and cooled with evaporative colling, it could be used as a man cave, home daycare or just extra living area for the family.

Hidden is the beautifully manicured lawns and gardens, there is a second shed, 8m x 4m has a split system and is lined inside and floors are painted.

It doesn't stop there, there are 8 carparks in total so if you are a car enthusiast or have boats or caravans, there is room for all of it.

Inside this lovely home is 3 bedrooms and bathroom. The main bedroom and living areas have split systems as well as a working evaporative cooler.

Carpeted bedrooms and a large corner bathtub will ensure your comfort and relaxation.

Get in quick as this won't be on the market long.
