COUNTRY OASIS

Discover your own slice of paradise with this stunning 20-acre fully fenced property, perfect for those seeking space, comfort, and tranquillity. This inviting home features four generously sized bedrooms, ideal for family living or hosting guests. Enjoy two cozy living areas, providing ample room for relaxation and entertaining.

The property boasts an impressive energy rating of 6, ensuring efficiency and sustainability. Warm up on chilly evenings with the charming wood fire heater, while the well-equipped kitchen, complete with modern amenities, makes meal preparation a joy.

Step outside to discover a fully enclosed outdoor area, ideal for entertaining or enjoying the fresh air in any weather. The property is perfectly designed for those with a passion for outdoor living, featuring fence-lined paddocks that offer ample space for livestock or gardening.

Completing this remarkable property is a 17 meter x 12 meter American style barn, allowing for dual access. It comes with ample power points and 2, 15 amp welding points and an abundance of room for storage, hobbies, or even a workshop.

Don't miss this opportunity to embrace the peaceful country lifestyle you've always dreamed of!
