## **Stylish Family Living in the Sought-After Pines Estate**

This beautifully designed four-bedroom, two-bathroom home is a must-see, offering exceptional value for buyers seeking a solid brick residence with stunning presentation.

Situated in the highly sought-after "Pines Estate," this property boasts impeccable presentation inside and out and is sure to move quickly on the market.

Having been recently renovated this open-plan living, with high core ceilings, includes a modern galley kitchen, complete with stone benchtops, ample storage, and contemporary appliances. This well-planned layout allows you to seamlessly engage with family while preparing meals. The whole house has been fitted with plantation shutters which gives that luxurious feel.

The spacious, air-conditioned dining and living areas, featuring stylish modern flooring throughout, opens out to a large private patio that blends effortlessly with the indoor space-perfect for summer entertaining.

The light-filled master bedroom includes air conditioning, a modern ensuite with a large shower, and a walk-in robe. The remaining three generously sized bedrooms all come with air conditioning and built-in robes. A modern family bathroom completes the home perfectly.

All of this sits on an easy-to-maintain, fully fenced 502m<sup>2</sup> block in a peaceful, family-friendly neighbourhood, conveniently located near Yeppoon's CBD, local beaches, and with easy access to the main route leading to Rockhampton.

This family home won't last long so call today to arrange a viewing and embrace easy living at its finest!
