The Brief: Central convenience with views of reserve and lakes

It's Addressed:

Located opposite a picturesque community green space and adjacent to the expansive Maurie Jarvis Woodland Reserve, this contemporary double storey family home enjoys an idyllic setting with nearby walking trails, lakes and access to renowned schools like Mentone Grammar, Haileybury and Lighthouse Christian College. The property sits within the catchment for Keysborough Secondary College and Keysborough Gardens Primary School and is just a short drive to local Keysborough shopping centres.

The home's striking exterior boasts stacker stone piers and a fully rendered facade in earthy neutral tones, complemented by LED feature lighting and easy maintenance landscaping. The upper-level balcony features opaque glass balustrades, while a double lock-up garage with rear lane access provides convenience with a full wall of closet storage. Inside, the home showcases timber-look laminate flooring, 2.7m high ceilings and a comfortable climate with evaporative cooling, ducted heating and split system AC.

The open-plan living and dining area includes a light green feature wall and opens via quad stacker doors to a covered pergola, equipped with an integrated BBQ, ceiling fan and lighting. A dedicated theatre room with ceiling speakers and retractable projector provides the perfect family entertainment space, while an upper-level retreat offers a separate area for children.

The chef's kitchen is highlighted by opulent 80mm speckled stone benchtops, a light blue glass splashback and premium 900mm Miele cooking appliances. Ample cabinetry, a coffee nook and a spacious breakfast island complete this functional and stylish kitchen.

Upstairs, four generous bedrooms feature built-in robes. The main bedroom impresses with a walk-in robe, air conditioning and a full-width balcony with scenic park views - plus access to a private ensuite with dual vanities and a frameless shower. Both bathrooms offer full-height wall tiles and stone-top vanities, with the main bathroom adding a freestanding bathtub for relaxation.
