Spaces to relax and recharge from our busy lives or areas to entertain family and friends, a home that is sure to impress and complement your style of living. An East facing under cover rear decking, accessible from the living area, a soothing jacuzzi spa to fade away any aches or pains, a relaxing spot to watch Friday night sports or on a Sunday afternoon prepare for the coming week. A large Bi-fold window with a timber bar top shelve, a purposely designed addition to sit refreshments on whilst taking advantage of the leafy views across the Romaine Reserve area complete with fitness pathways, pull down bistro blinds to fully enclose the area in inclement weather. In addition to the undercover decking, an external low-lying decking adjoins the plastered rumpus room/teenagers sleepout, complete with LED lighting, reverse cycle air conditioner, storeroom and free-standing bar, a versatile area for a studio or home crafts and hobbies, a genuine extension of this home's floor space. A neutral-coloured floating floor throughout the home's open living and dining spaces to a kitchen area with all the storage we require, under bench oven adds to the functionality and dishwasher to ease the after-dinner cleanups! A central light-filled bathroom with white vanity, bath and separate shower, a convenient separate toilet. 3 bedrooms each with a sliding robe and laundry area with a direct access to decking. Parking in driveway for up to 4 vehicles, level access at the front entrance, masses of dry storage under the home. A minimalistic smart landscaping adds to this home's very neat curb side appeal.
