A Stunning Home in Dennes Point, the Ultimate Sanctuary.

Immerse your self in the breathtaking panoramic sea views this property delivers, as it cleverly merges striking interior spaces with outdoor leisure areas, as views from all rooms draw the outside inside.

A gently rising driveway takes you through to the home, where one can see a delightful open covered patio that opens out to the bush and the seascape, a huge shed is opposite which could be used as a studio or gallery, a carport next door and beyond covered garden areas.

Then move on into the stunning home which has enjoyed the artistic flare of the current owners.

A large entrance area leads off to the main living areas, expansive with double glazed windows and glass sliding doors opening out onto the massive deck that wraps around the front and northerly side of the home.

Step out and enjoy the hot tub, an outside fire place, and listen to the bird song.

An entire wing is dedicated to the master bedroom, en-suite and walk in robe, enhanced by garden and stunning water views.

The two other bedrooms are located in the other section of the home and open out through French Doors to the deck.

A sunny stylish kitchen including double sinks, an Island Bench, quality fixtures and many storage cupboards flow through into the magnificent living area with polished hardwood floors and high vaulted ceilings, where the double glazed doors slide back, opening out onto the deck.
