The Ultimate Family Haven w/ Self-Contained Studio & Well Appointed Workshop

Nestled on a generous 1,000sqm block in the sought-after Hill Top area, this beautiful family home offers a perfect blend of classic charm and modern luxury. With five spacious bedrooms in the main residence and exquisite finishes throughout, every detail has been carefully designed for comfort and elegance. From the stylish Hamptons-inspired kitchen to the peaceful alfresco space, this home is ideal for both everyday living and entertaining. Featuring a lavish home equipped for a range of families and amenities for the working professional, this property is ideal for those desiring the best of both worlds.

Welcome to a life of comfort, style, and sophistication.

Key Features:

- Main Residence: Spread over three levels, the home features five spacious bedrooms all fitted with built in robes and two contemporary bathrooms.
- Self-Contained Studio: Features a 60m² loft-style studio, perfect for guests, multigenerational living, or a teenage retreat.
- Gourmet Kitchen: A Hamptons-inspired kitchen with shaker cabinetry, ample storage, stone benchtops, and a 900mm stainless steel oven with gas cooktop. Dual skylights flood the space with natural light.
- Luxurious Bathrooms: Floor-to-ceiling tiles and underfloor heating add a touch of luxury. The ensuite features a walk-in shower that flows into a freestanding bath for a spa-like experience.
- Comfort & Convenience: Equipped with split-system air-conditioning, ceiling fans, double-glazed windows, and plentiful storage throughout the home, including an attic for additional space.
- Outdoor Living: The alfresco area with hardwood decking, privacy screening, and a pitched roof with a ceiling fan is perfect for year-round entertaining. A dedicated TV point makes it ideal for outdoor movie nights. Extensive outdoor lighting highlights the landscaped gardens and creates a welcoming atmosphere at night. An outdoor shower provides both hot and cold water, making it perfect for cleaning off after working in the garden or using as a dog wash station.
- Fully Landscaped & Fenced: The level, beautifully landscaped grounds are securely fenced, offering a peaceful and private retreat.
- Ample Parking & Workspace: A three-car carport offers drive-through access to a double shed appointed as a workshop, providing plenty of storage and workspace. A large, air-conditioned workshop with ample storage, makes the ideal space for a tradesperson or hobbyist.

This home is a true blend of style, functionality, and luxury, offering everything a modern family needs.
